

### You've Got No Mail!

The post office has let us know that many students are being sent packages and mail incorrectly. Please be sure that any packages sent through the campus post office have a return address and the correct mailing address. Without these important pieces of information, it is difficult to ensure that letters and packages will make it to the correct recipient. The following are the three ways to have mail or packages sent to Georgia Southern:

- |   |   |   |
|---|---|---|
| 1. Letters:<br>Student's Name<br>Georgia Southern<br>P.O. Box #####<br>Statesboro, GA 30460 | 2. Packages through U.S. Post Office:<br>Student's Name<br>Georgia Southern<br>P.O. Box #####<br>Statesboro, GA 30460 | 3. Packages requiring a <i>street address</i><br>Student's Name<br>Georgia Southern<br>Landrum Center<br>P.O. Box #####<br>Statesboro, GA 30460 |
|---|---|---|

Note that the ##### represents your individual P.O. Box number and that there are only 5 digits in the zipcode.

If you have any questions about how mail sent to you should be addressed, please contact Marsha Raith at (912) 681-5232 or [mraith@GeorgiaSouthern.edu](mailto:mraith@GeorgiaSouthern.edu).

### Homecoming Festivities in the Halls

Several halls are participating in the "Sculpt it for the Hungry" contest, the Banner contest, and the parade. Good luck to RHPC Homecoming Queen and King nominees, La-Monika Hill and Tony Rouse. Also, good luck to Southern Pines and RHPC, co-sponsors of an entry into the Doo Dah competition.

The residence halls have traditionally shown great spirit in Homecoming. We're looking forward to a strong showing again this year!

## Spotlight on . . . Kellie Pickett

Kellie Pickett is the Coordinator of Orientation and Telecounseling here at Georgia Southern. She oversees the SOAR Program, including recruitment, selection, training, and supervising the SOAR leaders. She also works with the Telecounseling program, where current students call prospective and admitted students to invite them to Admissions events and encourage them to visit campus. Kellie teaches a Georgia Southern 1210 course as well. Kellie first came to Georgia Southern in the summer of 2001 and worked as a SOAR intern. She recently returned in May of 2003 to work in her current position. When asked what inspired her to work in the area that she does, Kellie replies, "I was a resident advisor for two years in college, and I loved helping students succeed during their college experience. I love helping students grow and develop and discover what their passions are." Kellie received her Bachelor of Arts degree in Spanish from Ball State University in Muncie, Indiana, and her Master of Science in College Student Personnel from Miami University in Oxford, Ohio.

Kellie says that she loves working at Georgia Southern because of "how genuine the people are. People really care about helping students succeed, and this sincerity is amazing!" She also says that she is very happy about the growth on campus as well. In her spare time, she enjoys working out, cooking, watching movies, and traveling. Her advice to students is to take advantage of the many incredible opportunities on campus to learn, get involved, travel, and participate in leadership activities. Challenge yourself to try new things, meet new people, and explore the many different ways to make the most of your Georgia Southern experience!
