Georgia Southern Football History and Traditions

25-Year Milestone

The 2006 season is a very special one, marking the rebirth of football at Georgia Southern University in 1981. From the hiring of Erk Russell as the first head coach of the Eagles to Tracy Ham's incredible leadership at quarterback to fullback Adrian "AP" Peterson's Heisman Trophy candidacy and domination of the NCAA record book, the Georgia Southern Eagles are the team other schools attempt to emulate. With an unprecedented six national championships, 16 playoff appearances and 48 All-Americans, Georgia Southern enters its 25th season with a legendary past and a bright future.

The Blue and White

Georgia Southern's official school colors are blue and white with an accent of gold. In keeping with their humble beginnings and "blue collar" roots, the Eagles continue to don blue and white uniforms considered simple by today's standards. The plain pants and basic jerseys with little embellishment symbolize the Eagles' dedication to hard work and "in-the-trenches" mentality. Blue and White clash with purple and the black/gold combination.

Spotlight on . . . Ms. Cathy Barker

Cathy Barker is the Coordinator for Residential Education for Southern Heights, which includes: Brannen/Sanford, Johnson, Southern Courtyard, Southern Pines and Winburn. She received her Masters Degree in Youth Ministry at Asbury Theological Seminary in beautiful Wilmore, Kentucky. Since then she has worked in Housing and Residence Life at Asbury College (in the same town of Kentucky), Western Carolina University and here at Georgia Southern. She truly enjoys her work within the housing department because it provides her with the opportunity to interact with all the great, fun loving students and create an enjoyable and constructive environment for students as they live, work, and play. Ms. Barker enjoys cooking, playing guitar, watching movies, playing cards, and studying. She is currently working towards her Ed.S. degree.

Ms. Barker's advice: Don't forget, you are here to obtain an education. Focus on classes and get to know each of your professors - it will pay off in the long run! Have a great year!
