

Making the Most of the Career Expo

Career Services invites you to attend the Eagle Career Fair to be held on Wednesday, October 25 from 9 a.m.— 2 p.m. at the RAC.

The Eagle Expo offers students the opportunity to speak to representatives from a variety of companies, industries, and educational school systems. Companies will be hiring students for internship, co-op, and full-time positions. The Career Fair will enable you to learn from the employers and receive information on: employment trends, skills needed for jobs, current/future positions, and contact names. Those students who are undecided about their major may conduct informational interviews with employers to learn more about different career fields.

A couple of tips to help you make the most of the career fair: Dress nicely for the event (preferably business casual or interview attire), bring plenty of copies of your resume, be prepared to ask employers questions, make eye contact and listen attentively, and ask for business cards for follow-up discussions. Please contact Career Services for the complete Eagle Expo participant list or visit their website at <http://students.georgiasouthern.edu/career>. For more information about the Eagle Expo, please contact: Amy Rowell, Career Services, 681-5197.

Regents' Test Reminder

Attention all students who need to take the Regents' Test! Remember that the Regents' Test is scheduled for October 27– November 1. Students should check their "detail" fall schedule on WINGS for the date, time and location of their exam. Students who do not take the exam or have not exempted both parts of the test will not be able to take ENGL 1102 in the Spring! You can call to reschedule your testing time up to Wednesday, October 25. After October 25, you may attend other testing times but as a walk-in. Do not wait till the last minute to reschedule!

For more information and tips about the Regents' exam go to:

SOARing Through the Centennial: Leading the Future 2007

SOAR Leader Recruitment is Under Way

SOAR (Southern's Orientation, Advisement, and Registration) Leaders are a group of student leaders who help plan, coordinate, and implement the SOAR sessions each summer. These leaders are carefully selected and trained during spring semester in order to be better prepared for the upcoming orientation season. The success of the SOAR Program is largely determined by the strength of the SOAR Team, so we look for the best and brightest students from across campus to be SOAR Leaders. Attend one of the Information Nights for more info and applications!

2007 SOAR Leader Information Nights

Sunday October 22nd, Monday October 23rd, or Tuesday October 24th
(All SOAR Information Nights are scheduled for 7pm in the Lewis Hall Presentation Room.)

For additional information, contact the Office of Orientation at orientation@georgiasouthern.edu.

**Applications are due by
November 6th!**

"From the College Bar Life to Life Behind Bars"

Chris Sandy's Story

Date: Wednesday, October 25, 2006

Time: 7:00 P.M.

Place: Russell Union Theatre

Chris is a young guy who enjoyed the same things most of you enjoy: a good time with friends, celebrating the holidays with family, going to a football or basketball game, etc. The difference between you and Chris is that he can't do any of those things anymore. Because of some bad decisions he made around drinking & driving Chris ended up killing two people and is serving a mandatory 13 year sentence in a Georgia prison for vehicular homicide. As of this date, he has served almost 6 and half years in prison. Come hear the "real deal" on drinking & driving from someone who knows what he is talking about.

Note: Free t-shirts for early arrivals and those completing a program evaluation will be eligible for a drawing for a DVD player and free DVD's.

for the Game.

Go Eagles!!!

Save a Life Tour Driving Experience

All participants in the "Save A Life" Tour begin the experience sober as "witnesses" of other drivers' bad judgment and deteriorating driving skills due to alcohol consumption. Two additional large screen displays reveal what each driver sees, the face of the driver, a helicopter view of the driver's vehicle in traffic, and an indicator level of the driver's impairment as it gradually worsens. True to real life, the drive usually ends in a serious accident.

Every driver is served with a simulated citation as a powerful reminder of his or her Driving Under the Influence.
