Career Corner: Avoid the Top 10 Resume Mistakes

by Peter Vogt
MonsterTRAK Career Coach

It's deceptively easy to make mistakes on your resume and exceptionally difficult to repair the damage once an employer gets it. So prevention is critical, especially if you've never written one before. Here are the most common pitfalls and how you can avoid them.

1. Typos and Grammatical Errors
2. Lack of Specifics
3. Attempting One Size Fits All
4. Highlighting Duties Instead of Accomplishments
5. Going on Too Long or Cutting Things Too Short
6. A Bad Objective
7. No Action Verbs
8. Leaving Off Important Information
9. Visually Too Busy
10. Incorrect Contact Information

For more information on resume writing or to get your resume critiqued, please come by the Career Services Office or call 912-681-5197. Article adapted from Monster.com.

CONFESSIONS OF A DRUG ADDICT

The Office of Health Education and Promotion at Georgia Southern University will present "Confessions of a Former Drug Addict," **Monday, Nov. 26, at 7 p.m. in the Performing Arts Center (PAC).**

On the outside it appeared that B.J. Elliott had everything going for him. He was graduating from college and received an award from the National Restaurant Association. However, on the inside Elliott was constantly fearful of rejection and unable to love himself.

Feeling unsuccessfully at matching the outside with what was going on inside, Elliott turned to drugs and alcohol to survive and quickly lost everything to addiction. After witnessing drug deals gone bad, chemical explosions from the manufacturing of drugs and the pain he was causing his family, he was still unable to stop the cycle. After hitting bottom, he finally recognized his problem and went to detox.

Now almost two years clean from all drugs and alcohol, Elliott is using his pain to give hope to others. He currently lives with brain damage, tremors and permanent health problems as a result of his years of drug use.

There is no admission for the presentation. The PAC is located on the Georgia Southern campus at the corner of Chandler Road and Plant Drive.
