and serve?

Applications in Office of Student Leadership & Civic
Engagement RV 2022, 912-871-1435

Need IT help connecting to the Internet from your room?

If you need IT help connecting your computer to our network, please bring your laptop to the ResNet office in Winburn Hall located across from the University Store, or submit a trouble ticket at: www.gsuhousing.com/help

The ResNet office is open Monday through Friday, 9 to 5, throughout the year. If you have any questions, please give us a call at 912-486-7971.

Read more about ResNet at: www.gsuhousing.com/resnet

Got Housing? Returning Student Sign-Up 2008-2009 University Housing: Your Place to Live!

We are currently accepting applications for fall 2008-2009 for returning students on our website at www.gsuhousing.com/signup2008. If you would like the opportunity to return to campus for the 2008-2009 year, **you must complete a returning student application by January 31, 2008** in order to participate in the room selection process.

The actual room selection process will occur between February 13, 2008 and February 17, 2008. During this time, you will be able to select your room on-line as well as your roommate/roommates.

Technical Problems

If you have phone or computer problems, please submit a Work Request online to ResNet through Vigil.

Vigil can be accessed by going to the University Housing website and clicking on "Work - Request". To contact ResNet directly about your phone or computer problem, you can reach them at 486-7971. All other work requests can be submitted to TMA, through the University Housing web site.

Important Notice

Over the break, 14 smoke detectors were found intentionally disabled in the Residence Halls. This is a definite safety concern. Not only does disabling a smoke detector place the individuals in the specific room at risk, it also places students in the same building at risk.

Smoke alarms, when properly installed, give an early audible warning needed to safely escape from fire. That's critical because 85% of all fire deaths occur in the home, and the majority occur at night when most people are sleeping. In addition, this is considered a felony! Students found guilty of this behavior will be charged criminally. Punishment can include a hefty fine and possible jail time. If you see this behavior occurring or know someone who has done this before, please call us directly at 912-681-5728.

President's Corner

Hello All and Welcome Back! I hope you all had a wonderful break and are excited to be back at Georgia Southern for the Spring 2008 semester! As we return to our residence halls this semester, it is important to remember that we are all living and working together to create the best community possible. Of course, we all contribute in our own way: some as leaders in their hall, some as friends to neighbors, and some who contribute by being respectful to those surrounding them. We all need to be aware that at times, our respect is the greatest contribution we can give. Artharva Veda stated, "Society can not progress unless each citizen make his contribution and performs his duties." When we apply this theory to our own community, we understand that it cannot progress without the contribution of each of us. Having said this, I challenge you all to be aware of your community and make sure you are contributing to the growth. Each of you can help to make our on-campus community a great one!

Let's make every week amazing.
Your RHA President, Deborah Swofford

If any of you have ideas for RHA to help improve your community, email me at rha_deb@yahoo.com.
