

LOFT REQUEST

Building _____ Room No. _____

I request permission to construct a loft in the room listed above. I have read and understand the conditions and standards set forth in this publication and will abide by them.

I understand and agree with the following:

In consideration for its permission to install a loft in my residence hall room (if granted) I covenant, promise and agree not to sue Georgia Southern University, the Board of Regents of the University System of Georgia, or any member, officer, agent, employee, or volunteer thereof for any damage of any variety arising out my construction, installation, and use of any loft in my residence hall room, and I hereby forever waive, release, and discharge any claim in law or equity arising there from. I understand that the construction, installation, and of a loft in my residence hall room my expose me to the risk of falling from the loft, or of having the loft fall on me, and I hereby assume the risk of any personal injuries or loss of or damage to property these events may cause. By accepting this release, the released parties do not waive, and expressly retain, any defense of sovereign or official immunity.

In further consideration for said permission, if granted, I hereby indemnify and hold harmless Georgia Southern University for any claims or lawsuits arising out of any personal injury or loss of or damage to property arising out of, or alleged to arise out of, my construction, installation, or use of a loft in my residence hall room.

I assume full responsibility for the cost of any repairs to the room or building caused by the construction, use, disassembly or removal of the loft.

This permit is valid for only this academic year and a new permit is required for each academic year.

Construction and inspection will be completed and all debris removed within 14 days of the day of this permit.
