

**GEORGIA SOUTHERN UNIVERSITY**  
**NON-RESIDENT OUT-OF-STATE FEE WAIVER**

As of the first day of classes for the term, a nonresident student whose parent, spouse, or U.S. court-appointed legal guardian has maintained domicile in Georgia for 12 consecutive months can apply for this waiver. The student must provide clear evidence showing a relationship has existed for at least 12 consecutive months immediately preceding the first day of classes for the term with the parent or U.S. court-appointed legal guardian. This 12-month time period is not a requirement for spouses.

If the parent, spouse, or U.S. court-appointed legal guardian of a continuously enrolled nonresident student establishes domicile in another state after having maintained domicile in the State of Georgia for the required period, the nonresident student may continue to receive this waiver as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court appointed guardian.
