

**UNDERGRADUATE COMMITTEE
SUMMARY OF APPROVED CURRICULAR ACTIONS
2002-2003 Academic Year**

October 15, 2002

College of Business Administration

Second Discipline/Concentration for B.S. in Information Technology–German

Allen E. Paulson College of Science and Technology

BIOL 5099 Selected Topics – Emerging Diseases – announcement

BIOL 5099 Selected Topics – Molecular Ecology – announcement

GEOL 5090 Reactivate Selected Topics

GEOL 5090 Selected Topics – Volcanology – announcement

College of Education

MGED 4629 Middle School Seminar – delete course

MGED 3721 Middle School Practicum I – Credit hours from 2 to 3

MGED 3722 Middle School Practicum II – Credit hours from 2 to 3 and number of one of the prerequisites from **MGED 3721** to **MGED 3731**

MGED 4799 Student Teaching in Middle Grades – Delete corequisite **MGED 4629**

MGED 3131 Changes title from **The Middle School** to **Nature and Curriculum Needs of the Middle Grades Learner**; deletes the words “full, one school day” and “in the form of a shadow study” from the description

ECED 2230 Cognition and Language – Changes prefix from **ECED** to **READ** and deletes corequisite of “Concurrent enrollment in Area F Pre-Professional Block”

READ 4131 Changes title from **Teaching Reading for Special Education** to **The Teaching of Reading** and adds **READ 2230** as part of prerequisites

ECED 4233 Literacy: Assessment and Instruction – Changes prefix from **ECED** to **READ** and adds “or **READ 4131**” to prerequisites

Program of Study Change for B.S. in Middle Grades Education – Add **READ 2230** to Area F as requirement for concentration in language arts and reading; also, add following for 9 hours of upper division courses in Reading for concentration in Reading: **READ 4131**, **READ 4233**, **READ 3330**

Program of Study Change for B.S.Ed in Early Childhood Education – Change prefixes as follows: **ECED 2230** to **READ 2230** and **ECED 4233** to **READ 4233**

ECED 3262 P-5 Language and Literacy – Changes one of prerequisites from **ECED 2230** to **READ 2230**

November 13, 2002

Vice President for Academic Affairs

Change B.A. in International Studies to include POLS 3130 as choice in Specific

Requirements

HIST 3338/INTS 3338 Contemporary Europe – Cross lists this course with History

Allen E. Paulson College of Science and Technology

Changes in Chemistry Minor Requirements – Prerequisites: CHEM 1145, CHEM 1146 and CHEM 2031 (11 hours); 15 hours above 2100 level (9 must be upper division), one upper approved by Chemistry advisor (4 hours); following courses may not be counted in 15 hours for Chemistry minor: CHEM 2542, CHEM 3610, CHEM 3790, CHEM 4611, CHEM 4790

College of Business Administration

Delete BUSA 3110, The Business Plan; BUSA 4112, Business Simulation; BUSA 4610, Senior Seminar

MGNT 4130 Management Information Systems – Change prefix to CISM

Program Changes for B.B.A. in Information Systems – reduce Business Core requirements from 27 hours to 24 hours; and change from 21 to 24 hour major by adding additional elective (3 instead of 2 from list)

Program Changes for B.B.A. in Logistics and Intermodal Transportation – reduce Business Core requirements from 27 hours to 24 hours; and change from 21 to 24 hour major by adding additional elective (2 instead of 1 from list)

Program Changes for B.B.A. in Management, Emphasis in Operations Management – reduce Business Core requirements from 27 hours to 24 hours; change Operations Management Emphasis from 21 to 24 hour emphasis

REDV 4432 Rural Economic Development – new course

REDV 4830 Special Problems in Regional Economic Development – new course

REDV 4890 Directed Study in Regional Economic Development – new course

Reduce Business Core requirements from 27 hours to 24 hours

Program Changes in B.B.A. in Regional Economic Development – remove from major requirements: ECON 4436, ECON 4438, ECON 4432; move from electives to major requirements: GEOG 3230, POLS 3330; add to electives: REDV 4432, ECON 4335, REDV 4830, REDV 4890, MGNT 3234, MGNT 4234, MGNT 4335, LOGT 3232; add to electives: SOCI 3336, SOCI 3337, SOCI 5435

College of Liberal Arts and Social Sciences

SPCM 3030 Health Communication – Selected Topics announcement

SPCM/INTS 3030 Rhetoric of International Relations – Selected Topics announcement

JOUR 3030 Writing Media Reviews – Selected Topics announcement

BRCT 4030 Dramatic Screenplay Production – Selected Topics announcement

HIST 3030 Imperialism and Nationalism – Selected Topics announcement

HIST 3030 The Holocaust – Selected Topics announcement

HIST 3030 The 1960's – Selected Topics announcement

PSYC 5030 Environmental Psychology – Selected Topics announcement

WRIT 5030 Language and the Law – Selected Topics announcement

December 3, 2002

Allen E. Paulson College of Science and Technology

- MATH 2130** Discrete Mathematics – new course
Program Name Change – from Building Construction and Contracting to Construction Management
- TCET 4890** Special Problems in CET – new course
TENS 2111 Statics Lab – deletion
TENS 2112 Dynamics Lab – deletion
TENS 2113 Strength of Materials Lab – deletion
TENS 2114 Fluid Mechanics Lab – deletion
TENS 2116 Introduction to EET Lab – deletion
TMET 2512 Mechatronics Lab – deletion
TENS 2136 Introduction to EET – change number to TENS 2146 and title to Electrical Devices and Measurements; change catalog description; change credit hours from 3 to 4
TCPM 4331 Flexographic Technology I – change to TCPM 5331, Flexography, and change description
TMET 2511 Mechatronics – change to TMET 2521, Introduction to Mechatronics; change description, prerequisites and credit hours (from 1 to 2)
TENS 2131 Statics – change to TENS 2141; change description, prerequisites, and credit hours (from 3 to 4)
TENS 2132 Dynamics – change to TENS 2142; change description, prerequisites, and credit hours (from 3 to 4)
TENS 2133 Strength of Materials – change to TENS 2143; change description, prerequisites, and credit hours (3 to 4)
TENS 2134 Fluid Mechanics – change to TENS 2144; change description, prerequisites, and credit hours (3 to 4)
TMET 3232 Applications of Thermal Science I – change title, catalog description, and prerequisites
TMET 4215 Application of Thermal Science II Lab – change title and catalog description
TMET 4234 Applications of Thermal Science II – change title, catalog description, and prerequisites
TMET 2128 Solid Modeling and Analysis – change prerequisites

College of Liberal Arts and Social Sciences

- SOCI 3094/WGST 3090** Sociology of Sport – Selected Topics Announcement
SOCI 5094 Sociology of Childhood – Selected Topics Announcement
WGST 3230 Introduction to Women and Gender Studies – change course number to **WGST 2530**
BBA Economics (Business Economics Emphasis) – Delete this emphasis
Program Changes in BBA Economics (International Business Emphasis) – Reduce Business core requirements and change to 24 hour emphasis
Program Changes in BBA Economics (No Emphasis) – Reduce Business core requirements and change to 24 hour major

FINC 4534/ECON 4534 Business Insurance – Cross listing
ECON 3132 International Economics I – Change title and course description
ECON 3232 International Economics II – Change title, catalog description and prerequisites
ACCT 4133 Intermediate Accounting III – New course
ACCT 3131 Intermediate Accounting I – Change course description and prerequisites
ACCT 3132 Intermediate Accounting II – Change course description
ACCT 3530 Tax Aspects of Business Decisions – Change prerequisites
Program Changes in BBA in Accounting – Reduce Business core requirements and change to 24 hour major
Second Discipline/Concentration for B.S. in Information Technology – Managerial Accounting
Second Discipline/Concentration for the B.S. in Information Technology – Financial Accounting
MGNT 3334 Human Resource Management – New course
MGNT 4333 Human Resource Information Systems – New course
MGNT 4336 Compensation Management – Delete course
MGNT 4337 Employee Benefits – Delete course
MGNT 4332 Compensation and Benefits – New course
MGNT 3134 Behavior in Organizations – Change catalog description
MGNT 4338 Staffing, Training, and Development – Change prerequisites
Program Changes in BBA in Management (Human Resource Emphasis) – Reduce Business core requirements and change to 24 hour emphasis
Program Changes in BBA in Management (Entrepreneurship/Small Business) – Reduce Business core requirements and change to 24 hour emphasis
Program Changes in BBA in Management (General Emphasis/No Area of Emphasis) – Reduce Business Core requirements and change to 24 hour major
Program Changes in BBA in Marketing (General Emphasis/No Area of Emphasis) – Reduce Business core requirements and change to 24 hour major
Program Changes in BBA in Marketing (Sales & Sales Management Emphasis) – Reduce Business core requirements and change to 24 hour emphasis
Program Changes in BBA in Marketing (Fashion Merchandising Emphasis) – Reduce Business core requirements and change to 24 hour emphasis
Program Changes in BBA in Marketing (Retailing Management Emphasis) – Reduce Business core requirements and change to 24 hour emphasis
IT 1032 Survey of Information Technology – Delete course
IT 1022 Applications of IT – New course
IT 1012 Web Page Development – New course
Modifications in BS/IT Program and IT Courses
IT 4335 Network Architecture – New course
IT 4890 Directed Study in Information Technology – New course
IT 3131 Web Application Design and Development – Change prerequisites
IT 3132 Web Software – Change prerequisites
IT 3234 Software Acquisition, Integration, and Implementation – Change prerequisites
IT 4135 Information Organization and Retrieval – Change prerequisites

- IT 4234 Network Operating Environment – Change prerequisites
 IT 4235 Problems in Web Application – Change prerequisites
Proposal for Minor in Information Systems/Information Technology
 FINC 3132 Intermediate Financial Management – Change prerequisites
 FINC 3133 International Finance – Change prerequisites
 FINC 3231 Financial Markets and Investments – Change prerequisites
 FINC 4231 Personal Financial Planning – Change prerequisites
 FINC 4234 Personal Insurance Planning – Change prerequisites
 FINC 4431 Principles of Real Estate – Change prerequisites
 FINC 4233 Estate Management – Change prerequisites
 FINC 4331 Bank Management – Change prerequisites
 FINC 4232 Securities Analysis – Change prerequisites
Program Changes in BBA in Finance – Reduce Business core requirements and increase elective hours to 15
Program Changes in BBA in Finance (Risk Management Emphasis) – Reduce Business core requirements to 24 hours and increase elective hours to 15
BBA in Finance – Banking Emphasis – Eliminate emphasis
BBA in Finance – Financial Planning Emphasis – Eliminate emphasis
BBA in Finance – Real Estate Emphasis - Eliminate emphasis

January 29, 2003

Vice President for Academic Affairs

- Changes in Requirements for B.S. in International Trade** – Delete three courses, add two courses, add one course to specific requirements, changes wording and hours of internship

College of Education

- SPED 3132 Curriculum in Special Education – Change course number, catalog description and prerequisites
 SPED 3233 Special Education Procedures – Change course number, catalog description and prerequisites
 SPED 3130 Characteristics of Mild Disabilities – Change prerequisites
 SPED 3131 Assessment in Special Education – Change prerequisites
 SPED 3231 Classroom Management – Change prerequisites
 SPEC 3232 Strategic Instruction in the Content Areas – Change prerequisites
 SPED 3711 Special Education Practicum I – Change prerequisites
 SPEC 3722 Special Education Practicum II – Change prerequisites
Revised Program of Study for B.S. in Education with Major in Special Education – To show course number changes in SPED 3234 and SPED 3134

College of Business Administration

- BUSA 3131 Business Statistics – Change prerequisites
Proposal for Minor in Management
Proposal for Minor In Marketing
 IT 3131 Web Applications Design & Development – Change prerequisites

**Proposal for Minor in Information Systems and Information Technology
Second Disciplines/Concentrations for the B.S. in Information Technology**

Human Resource Management
Retail Point of Sales (POS) Systems
Sales and Sales Management

College of Liberal Arts and Social Sciences

- ARAB 2001** Intermediate Arabic I – Delete course
- ARAB 2002** Intermediate Arabic II – Delete course
- ARAB 3030** Selected Topics in Arabic – Delete course
- ARAB 3130** Arabic Conversation – Delete course
- ARAB 3330** Arabic Culture – Delete course
- ARAB 3530** Commercial Arabic – Delete course
- ARAB 4890** Directed Studies in Arabic – Delete course
- YORU 1001** Elementary Yoruba I – Change credit hours from 4 to 3
- YORU 1002** Elementary Yoruba II – Change credit hours from 4 to 3

Restructuring of Spanish Major

Restructuring of Spanish Minor

- SPAN 2003** Intermediate Spanish II: Conversation/Comprehension – Delete course
- SPAN 2004** Intermediate Spanish II: Hispanic Texts – Delete course
- SPAN 3510** Spanish for Law Enforcement – Delete course
- SPAN 3511** Spanish for Science and Technology – Delete course
- SPAN 3512** Spanish for Social Work – Delete course
- SPAN 3513** Spanish for Education – Delete course
- SPAN 3514** Spanish for the Health Professions – Delete course
- SPAN 3515** Spanish for Hotel and Restaurant Management – Delete course
- SPAN 3331** Latin American Civilization I – Change course number, title and description
- SPAN 3332** Latin American Civilization II – Delete course
- SPAN 3333** Peninsular Civilization I – Change course number, title and description
- SPAN 3334** Peninsular Civilization II – Delete course
- SPAN 5235** Contemporary Hispanic Women Writers – Change title and description
- SPAN 5332** Latin American Cinema – Change title and description
- MUSC 1315** Guitar Class Non-Major – New course
- MUSC 1316** Voice Class Non-Major – New course

**Deletion of Emphasis – Jazz Performance in Bachelor of Music –
Performance/Piano Program**

Changes in Catalog Copy for WGST Minor

Changes in Catalog Copy for WGST Concentration

- WRIT 3030** Selected Topics in Writing – New course
- LING 3030** Selected Topics in Linguistics – New course
- WRIT 3530** Composition Studies – New course
- LING 3630** Language and linguistic Theory – New course
- ESL 0090E** American Culture I – Change title
- ESL 0091E** American Culture II – Change title and catalog description
- ESL 0092E** American Culture III – Change title and catalog description

ENGL 1102/1102H Composition II – Change catalog description and prerequisite

College of Health and Human Sciences

Changes in Program Admission Requirements to Interior Design

- INDS 4435** Design Studio IV – Change prerequisites
- INDS 4436** Design Studio V – Change prerequisites
- CHFD 3132** Prenatal and Infant Development – Change catalog description and lab component

Allen E. Paulson College of Science and Technology

- TCET 2512** Surveying Laboratory – Delete course
- TCET 3212** Construction Materials Laboratory – Delete course
- TCET 3216** Soil Mechanics and Foundation Laboratory – Delete course
- TCET 3312** Environmental Pollution Laboratory – Delete course
- TCET 3412** Structural Analysis Laboratory – Delete course
- TCET 3514** Route Location and Design Laboratory – Delete course
- TCET 3516** Transportation System Design Laboratory – Delete course
- TCET 4312** Water Supply Laboratory – Delete course
- TCET 4314** Water Treatment Laboratory – Delete course
- TCET 4414** Structural Steel Design Laboratory – Delete course
- TCET 4416** Reinforced Concrete Design Laboratory – Delete course
- TMET 3312** Materials Science Lab – Delete course
- TMET 3313** Materials Processing Lab – Delete course
- TMET 4215** Applications of Thermal Science II Lab – Delete course
- TMET 4412** Automation and CIMS Lab – Delete course
- TBCC 2230** Architectural Graphics and Print Reading – Change course number
- TBCC 2240** Introduction to Structures – Change course number
- TBCC 3120** History of Architecture and Construction – Change course number
- TBCC 3130** Building Materials and Systems – Change course number
- TBCC 4090** Selected Topics in Construction – Change course number
- TBCC 4130** Construction Safety – Change course number
- TBCC 3890** Special Problems in Building Construction – Change course number and title
- ENGR 2233** Statics and Dynamics – Change catalog description
- TCET 2531** Surveying – Change course number, catalog description and credit hours
- TCET 3331** Environmental Pollution – Change course number, catalog description and credit hours
- TBCC 3121** Building Codes – Change subject/number and prerequisites
- TBCC 3131** Construction Finance – Change subject/number and prerequisites
- TBCC 3132** Construction Equipment Management – Change subject/number and prerequisites
- TBCC 3230** Quantity Estimating – Change subject/number and prerequisites
- TBCC 4131** Construction Cost Estimating – Change subject/number and prerequisites
- TBCC 4132** Construction Administration – Change subject/number and prerequisites
- TBCC 4230** Wood Structures – Change subject/number and prerequisites
- TBCC 4231** Steel Structures – Change subject/number and prerequisites

- TBCC 4232** Concrete and Masonry Structures – Change subject/number and prerequisites
- TBCC 4233** Project Planning and Scheduling – Change subject/number and prerequisites
- TBCC 4740** Internship – Change subject/number and prerequisites
- TBCC 2231** Construction Surveying – Change subject/number, catalog description and prerequisites
- TBCC 4240** Senior Project – Change subject/number, catalog description and prerequisites
- TCET 3231** Construction Materials – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 3235** Soil Mechanics and Foundations – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 3431** Structural Analysis – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 4331** Water Supply Systems – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 4333** Water-Wastewater Treatment – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 4433** Structural Steel Design – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 4435** Reinforced Concrete Design – Change subject/number, catalog description, prerequisites, and credit hours
- TMET 3331** Materials Science – Change subject/number, catalog description, prerequisites, and credit hours
- TMET 3333** Materials Processing – Change subject/number, catalog description, prerequisites, and credit hours
- TMET 4431** Automation and CIMS – Change subject/number, catalog description, prerequisites, and credit hours
- TCET 3535** Transportation System Design – Change subject/number, title, catalog description and credit hours
- TCET 3533** Route Location and Design – Change subject/number, title, catalog description, prerequisites, and credit hours
- TMET 4234** Applications of Thermal Science II – Change subject/number, title, catalog description, prerequisites, and credit hours

March 26, 2003

Vice President for Academic Affairs

Add FACS 4090 to List of Significant International Content Courses

College of Business Administration

CISM 4334 ERP Systems Using SAP – New course

IT 4790 Internship in Information Technology – Change prerequisite

Second Disciplines for the B.S. in Information Technology

Management

Marketing

College of Liberal Arts and Social Sciences

MUSC 4631 Seminar in Music Education – Change subject/number and credit hours

College of Health and Human Sciences

INDS 3435 Design Studio II – Change prerequisites

INDS 4436 Design Studio V – Change prerequisites

April 15, 2003

College of Education

ITEC 4130 Instructional Technology for Early Childhood Education – Delete course

ITEC 4530 Instructional Technology for Special Education – Delete course

MGED 3232 Methods of Teaching Science in Middle Grades – Change prerequisites and corequisites

MGED 3532 Methods of Teaching Mathematics in Middle Grades – Change prerequisites and corequisites

MGED 3332 Methods of Teaching Language Arts/Reading in the Middle Grades – Change corequisites

MGED 3432 Methods of Teaching Social Studies in the Middle Grades – Change corequisites

Vice President for Academic Affairs

GSU 2122 Professional Development Seminar – New course

GSUH 2121 Career Exploration – Change course prefix

May 21, 2003

College of Business Administration

REDV 4730 Regional Economic Development Field Project – Change prerequisites

ACCT 4131 International Accounting – Change prerequisites

ACCT 5530 Governmental and Institutional – Change prerequisites

CISM 3236 Web Database Development – New course

CISM 4331 Point of Sale Technologies – New course

CISM 4332 Electronic Business – New course

Allen E. Paulson College of Science and Technology

Proposal for New Degree, Bachelor of Arts with a Major in Geography

GEOG 1521 Real World Applications for Geographic Information Systems (GIS) – Delete course

GEOG 3132 Cultural Geography of Ireland – Delete course

GEOG 3132S Cultural Geography of Ireland – Delete course

GEOG 3133 Physical and Biogeography of Ireland – Delete course

GEOG 3133S Physical and Biogeography of Ireland – Delete course

IRSH 3132 Cultural Geography of Ireland – Delete course

- IRSH 3132S** Cultural Geography of Ireland – Delete course
- IRSH 3133** Physical and Biogeography of Ireland – Delete course
- IRSH 3133S** Physical and Biogeography of Ireland – Delete course
- TSEC 5331** Human Resource Protection – Change title and catalog description

College of Education

- SCED 4137** Methods of Teaching in the Secondary School – New course
- SCED 4138** Secondary Curriculum – Change corequisites
- SCED 4731** Secondary School Practicum – Change corequisites
- Program of Study Changes in History Education, Mathematics Education, Geography Education, Political Science Education, Chemistry Education, Biology Education, Physics Education, English Education, and Business Education**
- BEED 3133** Computer Applications Methods – Delete course
- BEED 3134** Business Communications – Delete course
- BEED 3237** Accounting Methods – Delete course
- BEED 4130** Office Technology and Procedures – Delete course
- MSED 7530** Using Calculators and Manipulatives to Teach Mathematics – Change course number
- MSED 7531** Integrating Computer Technology and Mathematics – Change course number

College of Health and Human Sciences

Admission Requirement Change to Sport Management Major Program

- SMGT 3230** Economics of Sport – Change prerequisites
- SMGT 3236** Financial Management of Sport – Change prerequisites
- SMGT 3237** International Sport Management – Change prerequisites
- SMGT 3238** Management of Sport Organizations – Change prerequisites
- SMGT 3330** Sport Promotion and Marketing – Change prerequisites
- SMGT 4330** Facility and Event Management – Change prerequisites
- SMGT 4336** Sport Business Operations – Change prerequisites
- SMGT 4337** Legal Aspects of Sport – Change prerequisites
- SMGT 4338** Sport Policy Development – Change prerequisites
- SMGT 4090** Selected Topics in Sport Management – New course
- FACS 4890** Directed Individual Study – New course
- RECR 4830** Baseball and American Culture – Selected topics announcement
- FACS 4090** Introduction to Marriage & Family Therapy – Selected topics announcement
- FACS 4090** Ethics in Family & Consumer Sciences – Selected topics announcement
- Admission and Progression Revisions to the BSN Program**

College of Liberal Arts and Social Sciences

Changes in Psychology Minor

- ART 1335** Photography I – Change prerequisites
- ENGL 2335** Women and Literature – Change course number
- ENGL 5333** British Drama to 1900 – Change course title and catalog description
