

ETS Update

ETS DAY A HUGE SUCCESS

Hooray for ETS Day! Educational Talent Search Day was full of fun activities and workshops. The students, ranging from ages 11 to 18, attended workshops on Etiquette, Diversity, College Planning, and Abstinence. Parents were given updates on program activities through the parent club. The Bulloch County Sheriff's department provided

information on Gang and Drug activity and Amerigroup provided

information on healthcare. The day concluded with the ETS Spelling BEE and Black History Trivia

Bowl won by the students of Emanuel County. What a great way to kick off the new year!

*Special thanks to Georgia Southern, the Bulloch County Sheriff's Department, Amerigroup, Boys and Girls Club, ETS mentors, and the ETS Parent Club for a great day of events.

**CONGRATULATIONS TO OUR SPELLING BEE WINNERS!!
Desiah Wofford and Tyrell Brown
